Lost the Game.

The Sequachee and Jasper base ball teams crossed bats Saturday evening, resulting in a victory for Jasper by a score of 3 to 14. The game started out close, the Jasper team getting one run in the first inning and Sequachee two. The Jaspers then tied the score which remained 2 to 2 for three innings. In the last half of the sixth inning Martin, the Sequachee pitcher weakened and a shower of hits followed which resulted in a number of runs coming in. Daffron and Layne then occupied the points for Sequachee but while the Jasper team could not connect with the ball their work was ragged, several men being sent to bases, who afterwards scored. Outside of the sixth and seventh innings the Sequachee team played fast ball in the field. In batting they were very weak Simpson, the phenomenal Jasper pitcher, averaging two strikes out in an inning. When it is remembered that Sequachee batted his delivery successfully the Saturday before it is something hard to comprehend.

Hill for Sequachee batted safely twice, was hit with the ball in the ninth and stole second and third and drawing a throw to third brought in Sequachee's last run.

For Sequachee Campbell caught a beautiful game, and Martin, outside of the sixth inning curled the ball all around the base and hits were few. Hill played his usual steady game at first and participated in a double play Martin to him to Muesly. Layne made several good plays at third and the short stop position was occupied acceptably by Daffron in the absence of Anderson.

For Jasper Simpson and Catron seemed to be about the whole team as the rest of the players had little or nothing to do. Vann played well at first. Some of the strongest batters, however fell victims to the subtle delivery of Martin.

Arrangements will be made for another game between the two teams at Jasper Saturday, Sep. 1.

The score card having disappeared we are unable to give the score by innings.
